Dear :

This Tax Organizer is designed to help you gather the tax information needed to prepare your 2020 personal income tax return. To help you complete the Organizer with minimal time and effort, when available, you will find certain information from your 2019 personal income tax return.

To protect your privacy, your Tax Organizer contains masked data. Masked data displays as asterisks. For example, a Social Security number could display as \*\*\*-\*\*-6789, an account number as \*\*\*\*\*6789, and a date of birth as \*\*/\*\*/2000. If you would like to confirm the masked data or make a change to your data, please contact this office. Do not indicate any changes to your data on your Tax Organizer. When you receive your completed tax return(s), make sure you review all Social Security numbers, bank account numbers, and dates of birth for accuracy.

Enter 2020 information on the Tax Organizer pages provided. If any information does not apply to you or is incorrect, please draw a line through it or make the necessary corrections.

The Client Questionnaire asks about pertinent tax items necessary for preparing the most accurate tax return possible. Please answer all questions and attach a statement when necessary for additional information not provided in the Client Organizer.

You will also need to provide the following information:

- Forms W-2 for wages, salaries and tips.

secure way to file tax returns and it provides proof of acceptance that the IRS has accepted your return for processing. Contact this office if you prefer your return be filed on paper.

Thank you for the opportunity to serve you.

Sincerely,
